FOR IMMEDIATE RELEASE

UPDATE ON BARRYROE FARM-OUT TRANSACTION

Dublin and London – July 22, 2019 - Providence Resources P.l.c. (PVR LN, PRP ID), the Irish based Energy Company (“**Providence**” or the “**Company**”), today provides a commercial and operational update in relation to Standard Exploration Licence (“**SEL**”) 1/11 which contains the Barryroe oil accumulation (the “**Barryroe Project**”). SEL 1/11 is operated by EXOLA DAC (“**EXOLA**” or the “**Operator**”, 40%), a wholly-owned Providence subsidiary, on behalf of its partners, APEC Energy Enterprises Limited (“**APEC**”) and Lansdowne Celtic Sea Limited (“**Lansdowne**”, 10%). The area lies in c. 100 metre water depth in the North Celtic Sea Basin and is located c. 50 km off the south coast of Ireland.

Background

On June 5, 2019, the Company announced that it had agreed certain amendments to the Farm-Out Agreement (the “**Updated FOA**”) for the Barryroe Project with APEC Energy Enterprises Limited (“**APEC**”) and, together with EXOLA and Lansdowne, the “**Barryroe Partners**”, including a revised backstop date with APEC for receipt of the US\$ 9 million loan advance to June 14, 2019, which was subsequently extended through various extensions to July 19, 2019.

Extension of Backstop Date

The Company has received further documentation showing the mechanics of the transfer of \$US 10 million to Providence’s account. However, due to ongoing banking processing delays, the funds have yet to be credited to Providence’s account. Accordingly, to facilitate this, the Barryroe Partners have agreed to a backstop extension of on or before July 26, 2019.

Further announcements will be issued when and as appropriate.
